Cat, cat
and cat

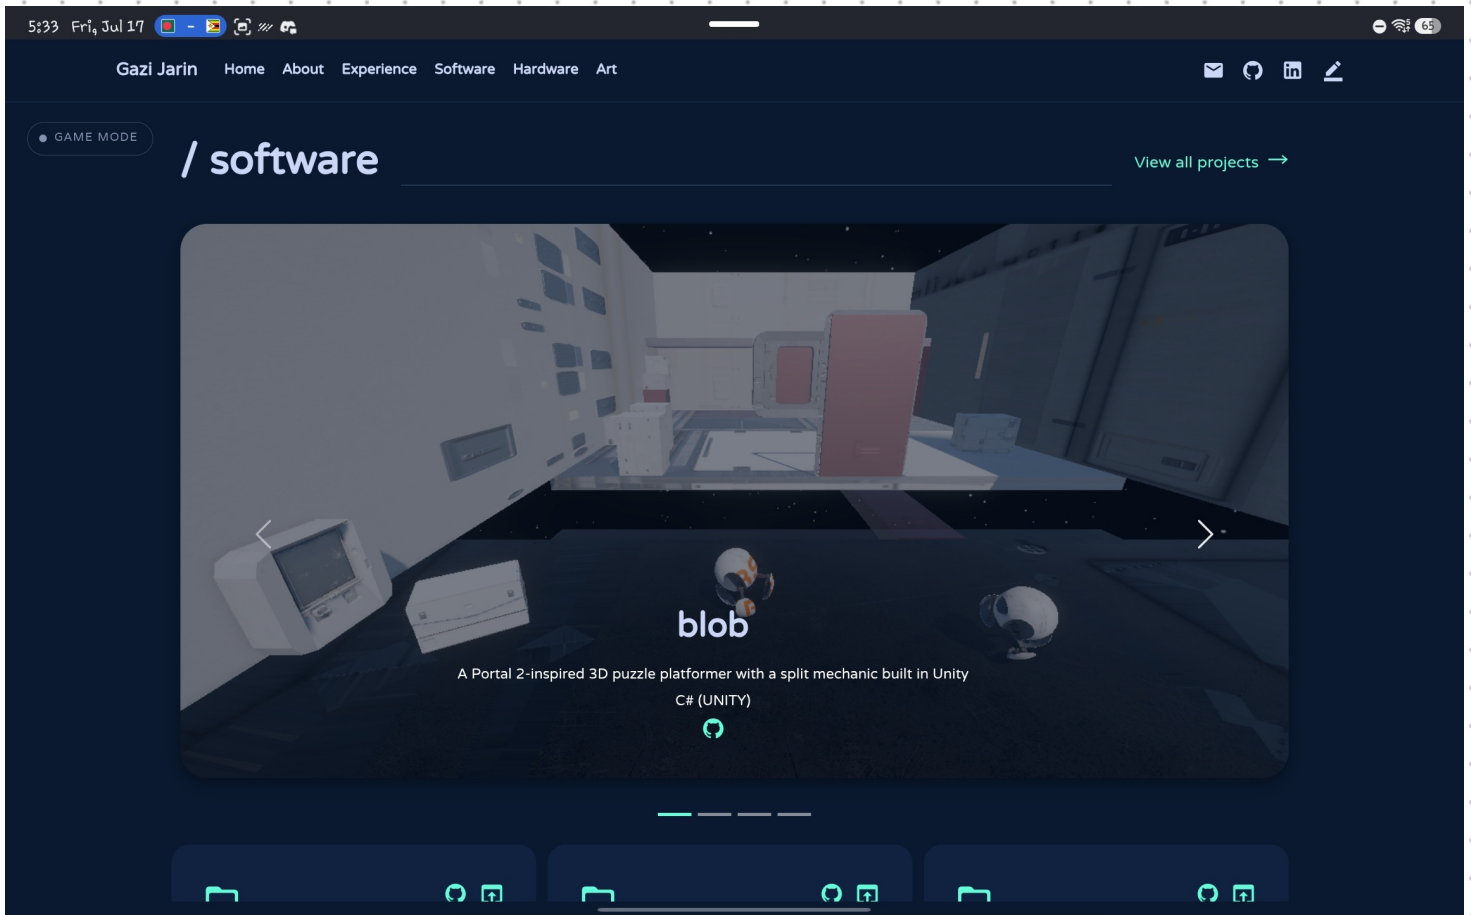

I want also implement a small minigame and with completing it will scroll down. It will open when people will turn on fun mode.

I want the intro part like this combined 2.

Don't have so much experience will upload
 ⇒ Research and Development Panel in IUT

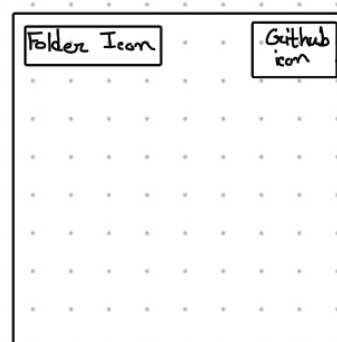

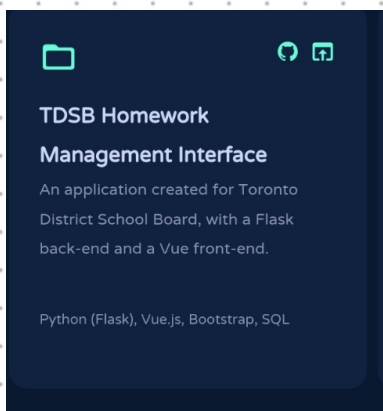

/software there will be previews I want like

There will be preview of my projects
and small Description

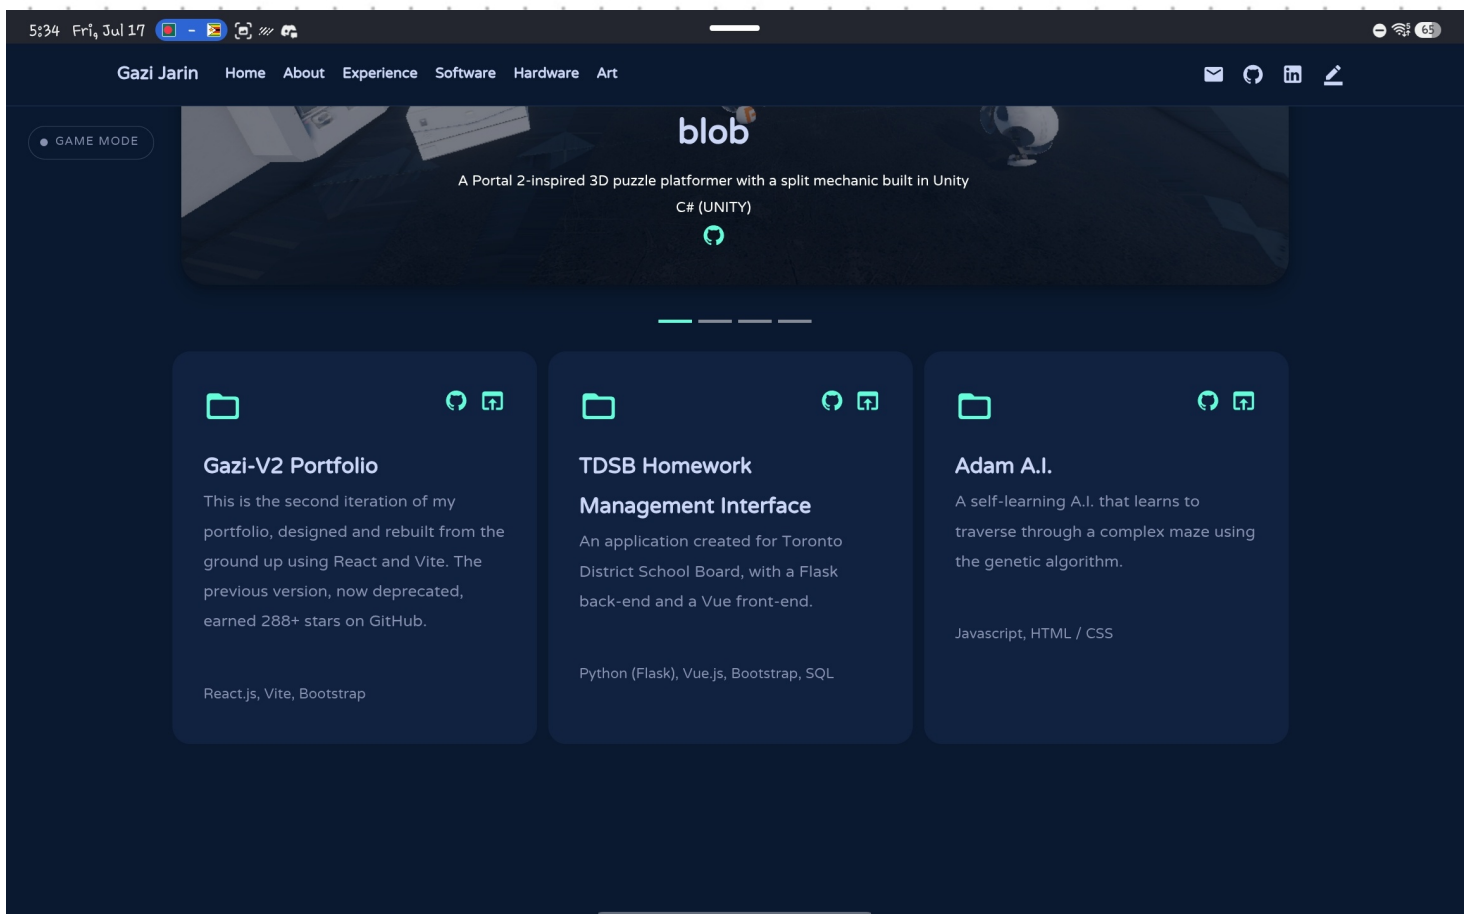

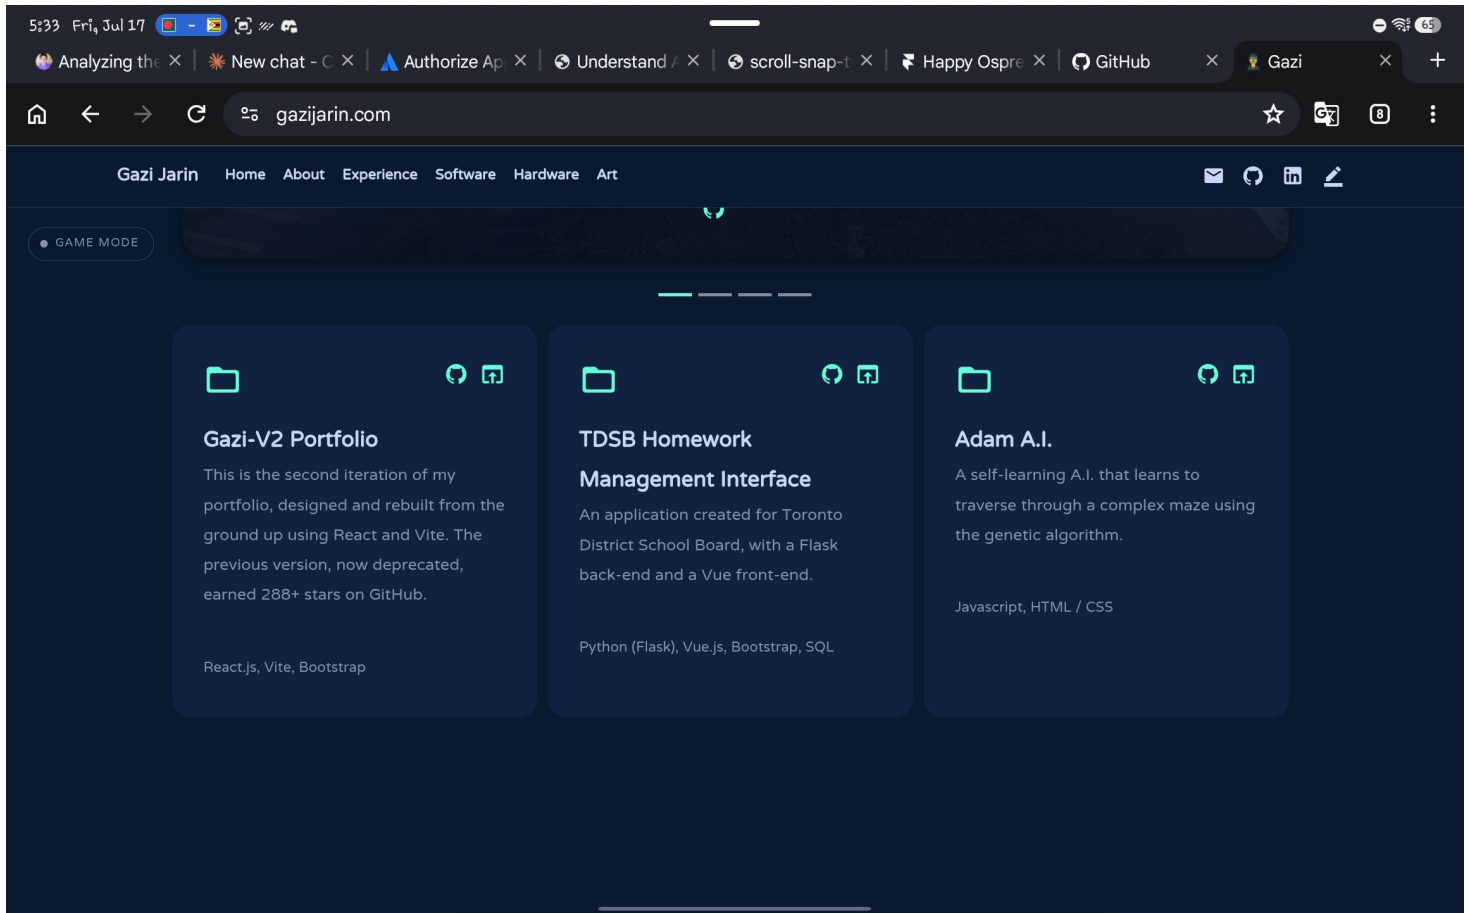

Pytho   My Pythom Projects here

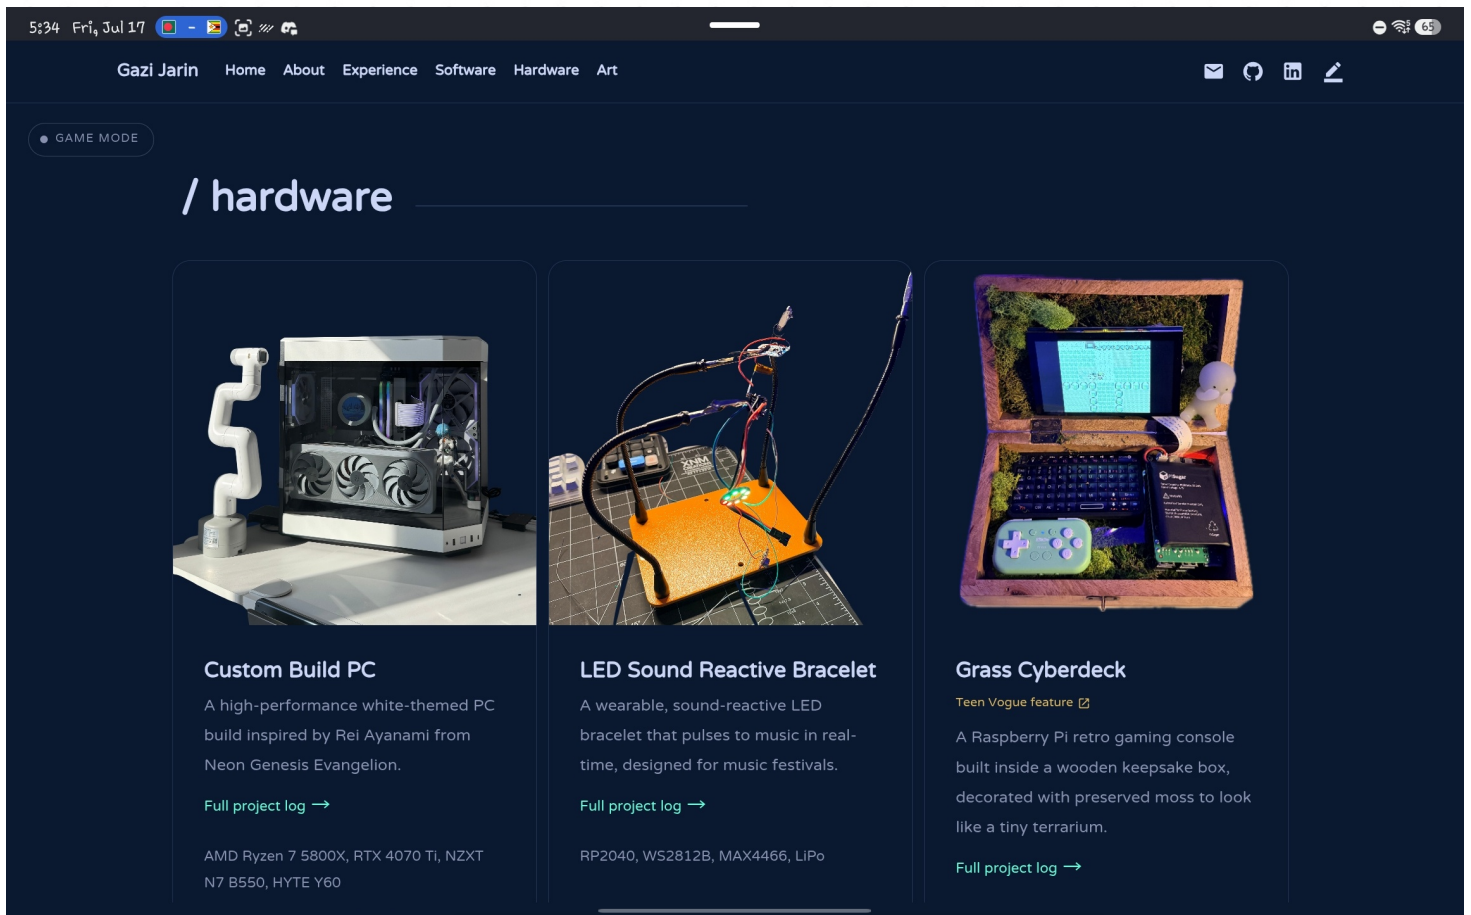

Jav   Java Projects

C+   C++ Projects

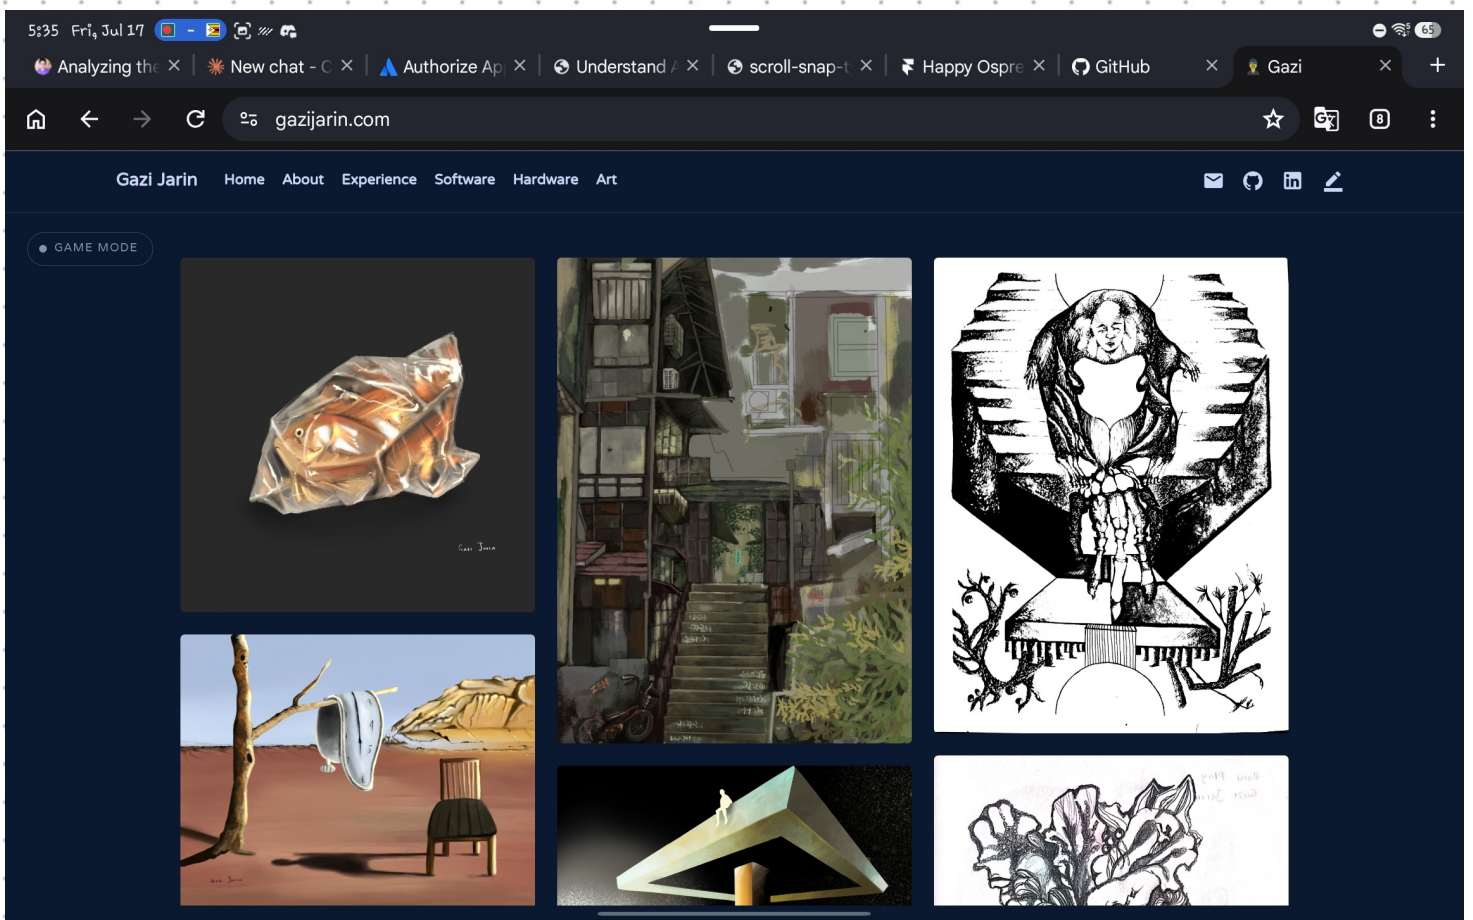

↳ This under all lang. Section

In Hardware Section Will show my PC setup like this.

And another section (Where my team build a arduino project Re

I don't have any Art

But can add

⇒ Im upcoming semester will have many AI ML course project
ete which right now will be empty -
